

MAX Charter School Student Pledge

I act in such a way that I am proud of myself.

Those who know and love me
are proud of me too.

I come to school to learn and
I do learn.

I learn at least one new thing each day.

I accept the consequences, good or bad,
of my actions and words, knowing that
I alone am responsible for my behavior.

I live the Golden Rule.

I treat others, as I want them to treat me.

I always strive for the MAX!
