

Dear Parent(s) and Guardian(s),

What a great opening of school we have had!! The students are working hard and this year is off to a wonderful start!

Please be reminded of the following:

- **Attendance to school is crucial to your child's education.** Please make every effort to get your child to school every day and on time. Every moment that your child is at school is an opportunity for learning.
- **During afternoon dismissal, those picking up students MUST go through the car line and MUST display a sign with the student's name clearly shown.** We ask this of you to aid in quickly moving parents through the car line, but more importantly to ensure that students are getting into a vehicle with someone who is allowed to pick him/her up. If the driver does not have a sign to display, he or she may be asked to park and come into the school to be identified before being allowed to leave with the student. Students will not be dismissed to parents who walk up to the dismissal area. The safety of children is a top priority at MAX, and your cooperation is appreciated. **Remember, NO CELL PHONE USE and NO SMOKING in car line.**
- **Synergy Bank** will be at MAX on Tuesday, September 4th to collect deposits from students who have opened a Synergy Bank Savings Account.
- Join us at **NSU Family Day** on Saturday, September 29th from 11:00 until kickoff at 3:00. MAX will setup a game booth at NSU's Family Day. All are encouraged to come out for a day full of family fun and to cheer the NSU Colonels at their game against Lamar University! Visit <https://www.nicholls.edu/family-day/> for more information.
- We will celebrate **Constitution Week** at the end of the month. Once again, the Daughters of the American Revolution have invited MAX to participate in the **Bell Ringing to kick off Constitution Week**. This will take place on Saturday, September 15th at 10:00 in front of the Thibodaux City Court House. The students will have a Red, White, and Blue Shirt Day on Friday, September 21st. The committee has some fun activities planned for this week. Stay tuned for more details!

At MAX, we teach the whole child – both, emotionally and academically. We also believe that education is a **shared responsibility**. You, as parents, are your child's first teachers. Together, we will help your child reach his/her highest potential. Thank you for trusting us with your beautiful child(ren).

Sincerely,

Rebecca B. Walker
