- February is **Black History Month**. Ms. Chenier's Social Studies students will research individuals who have made significant contributions to society. The students will read facts throughout the month of February.
- **We are currently accepting applications for the 2020-2021 school year.** If you know anyone who may be interested in sending their child to MAX, please encourage them to contact the office or visit the school's website at www.maxcharter.org for more information about the application process.

STAR Assessments were given during January. I am thrilled to report that almost ALL students went up on their score in either Math or Reading or in many cases, on BOTH Math Reading. It is so amazing to see progress! We are so very proud of our students. STAR Assessment score reports will be sent home within the next week. Please contact your child's teacher if you have any questions.

Please don't hesitate to contact your child's teacher or the front office personnel if necessary. Thank you for all your support.

Sincerely,

Rebecca B. Walker, Principal
