

August, 2020

Dear Parent/Guardian:

The MAX Charter Alternative School has established a web application through its the Edgear Student Progress Center. This program is an Internet-based student information system for our parents/guardians.

The purpose of this online system is to store student data in a safe and secure matter to ensure privacy. The Student Progress Center allows you to review your child's grades, attendance records, discipline, transcripts, and other information through the Internet so that you can monitor your child's progress in school.

In order for you to log-in to check the progress of your child, you will need to fill out the attached application and return it to your child's teacher in a **labeled and sealed envelope**. Parents/Guardians are asked to create and provide a 5 digit PSN (Personal Security Number) that will be used to link you to your child. Once the attached form is completed and returned you will receive further instructions to set up your account. **If you have already completed this form in years past, it is not necessary to complete it again.**

If you have any questions, please contact Alison Borne at aborne@maxcharter.org.

We thank you for your continued support and dedication.

Sincerely,

Rebecca B Walker, Principal

**If you have already completed this form in years past,
It is not necessary to complete it again.**

Student Progress Center Sign Up Form

Please complete all portions of this form and sign. All the information requested is necessary for the login to the Student Progress Center.
