

February 24, 2021 • Principal's Pen

from Mrs. Walker, Principal

Dear Parent(s) and Guardian(s),

Looking ahead at the month of March, there are many things happening at MAX.

We are excited about the Race Fest Fundraiser which is on Saturday, March 13th.

You can register for the race at <https://runsignup.com/racefortheirfuture2021>. Spread the word to family and friends! Remember this event will be held virtually this year. Race registrants will run/walk the selected distance and log their times online. This can be done on a treadmill, around the park, down neighborhood streets, etc. Don't forget about the Silent Auction, which will also be held through an online platform. You can access the Silent Auction using the following link: betteruniter.com/maxcharterschool. Also keep selling raffle tickets. The drawing will take place on Saturday, March 13th and will be live-streamed via our Facebook page.

Our Book Fair will be held the week of March 15th. We will allow students to shop during a scheduled time. More details will be sent out at a later date. Unfortunately, we will not be able to allow parents and/or other guests to come to shop. If you wish for your child to be allowed to purchase items, please send him/her to school with money.

The LEAP test is quickly approaching. The Computer-based testing window for students in grades 5th through 8th will begin on Monday, April 26th. Be on the lookout for schedules and details coming soon. Paper-based testing for students in grades 3rd and 4th will take place from Wednesday, April 28th through Tuesday, May 4th. Please talk with your children about the importance of these assessments and encourage them to do their very best.

Easter Break begins on Friday, April 2nd through Friday, April 9th. Wishing you all a blessed Easter filled with much joy.

We thank you for all that you do to support our school and your child. Together we are making a difference in the lives of your children.

Educationally,

Rebecca B. Walker

Rebecca B. Walker, Principal
