

November Principal's Pen

October 28, 2021

from Mrs. Rodrigue, Principal

Max Parents,

Happy Fall! We are excited for the promise of gumbo weather. Although we had a rocky start, we are picking up the pace and the kids are making progress in current grade-level standards. The assessments administered at the beginning of the year have allowed the teachers to pinpoint learning gaps; they have been targeting those gaps in addition to the grade-level standards, making deeper learning and mastery possible.

Reminders and upcoming events:

- There will be a **MAX-CABAS-Parent meeting** on **November 4, 2021 at 6:00**. This will follow-up on topics from the Virtual Open House in August. Please join us with Dr. Gautreaux from Nicholls, as we showcase some of the work going on at Max.
- **PTA meeting** will be virtual on **November 2, 2021 at 6:00**. A link will be sent to registered members.
- **Picture Day make-up** for students absent on 10/7 will be **November 3, 2021**. Please send these students in their school uniform.
- **Thanksgiving holiday** was adjusted to gain back days lost in the storm recovery. We will be off from November 24-26.

Thanks for your continued support of Max Charter.

With Max Pride,

Angelic Rodrigue
