Please see the back of the supply list for information concerning clipboards.

We hope everyone is having a great summer! We would like to change the clipboards that students use throughout the day beginning next year. We have noticed that clipboards with storage have been more durable and the storage is helpful for holding students' pencils and passes. We are asking for parents to purchase a clipboard like the one below, or provide a donation of \$8 in order to cover the cost of your child's clipboard. Please feel free to email mbenoit@maxcharter.org if you have any questions. Thank you!
